

WHO ARE WE?... The Lakeland Booster Club exists to support sponsored/sanctioned athletic and extra- curricular activities to Lakeland High School. We pledge to assist in providing support to all students and athletes together with the parents, school district and the community. We support athletic and academic excellence, competition, sportsmanship, school spirit and community pride.

WHAT LAKELAND BOOSTERS DO!!.... In recent years we have provided funds in order to purchase **or** assist in following: Team Uniforms for students along with warm ups, jackets and bags. Helped with field improvements on ball fields including bleachers, dugout upgrades, new concessions and storage area as well as improvements on the pole vault and high jump pits for track. We helped with the purchase of new wrestling mats at the high school and the Jr High. Some teams also received new equipment as well as updated equipment for the coaching staff such as radios, headsets, palm pilots, digital converter and stat tracker.

We have assisted the school band and choir with funding for competitions, new band t-shirts, sent choir members to state and a banner for the marching band. We provide funds for the coaches to attend coach's clinics and monies for the sport banquets. We provide an annual Sports and Activity Social in August, which provides a inexpensive option for physicals for our school and community sports programs and to purchase ASB cards. We also have hosted an appreciation breakfasts for the Lakeland Staff. The Boosters support HOSA, HOBY, Lakeland BPA, Boys State, Girls State, FCCLA, Eagle Scout Project, Yearbook Support, DC Kids, Pueblo Partners Mexico Trip, Student Body and Leadership programs. We also supply funding to help students attend state events in both athletics and academic programs. We assisted the Shop Club attend a skills USA competition as well as provided support for 3 students to attend Speech State. We are also proud to award \$1000.00 in annual scholarships to Lakeland Seniors whose parents are Booster Club members for both athletic and academic achievements. There are unexpected requests from staff and students that come in also. Providing these contributions takes a large amount of time and money. Our annual golf tournament is held to support Lakeland Athletics.

Our main source of financial income is through our fall membership drive. This is one way that you can help. By purchasing your annual membership **YOU** can play a role in helping the Students at Lakeland! When you become a Century Booster member your admission into sporting events will more than pay for your annual investment while helping financially supports the club. We need your support so that we can continue to be a motivating force to build up the school and community.

We are proud to work hand in hand with local businesses that support us with advertising on our annual fall and spring sports poster. We encourage you to support those businesses that support your Booster Club. Nobody can do everything by themselves, but together everyone can do something!

If you have any questions call Trent Derrick (Athletic Director) at the high school @ 208-687-0181. If you provide your email on the registration form we will keep you updated on all events throughout the year!!

**We are looking forward to another great year !
THANK YOU and GO HAWKS !**

"An investment in the kids of our community, is an investment in the future of our community"
